Perpetual Trophies for Overall State Horse Trials, Dressage & Show Jumping Championships

The "Bonn View Roger" Perpetual Trophy Donated by the Pitt Family (22 cm high)

The winner is the combination of rider and horse which gain the most points in all three disciplines regardless of grade or group. To be eligible they must have taken part in all three championships. In the case of equality, the winner will be the combination competing in the higher grade/group, and if still equal the higher placing at the Trials will count.

Scoring Points are awarded for each event on the following basis:- 1st 20, 2nd 18, 3rd 16, 4th 14, 5th 12, 6th 10, 7th 8, 8th 6, 9th 4 and 10th 2. Everyone successfully completing the competition scores 1.

Points for the Trials (Eventing) and Dressage are factored at 1 each and those for Jumping Equitation and Show Jumping are factored at 0.5 each, thus making 1 for the whole Jumping Championship.
